

## AVIS BUDGET GROUP CELEBRATES ANNIVERSARY OF ITS USED CAR SALES PROGRAM FOR AUTOMOBILE DEALERS

PARSIPPANY, N.J., April 4, 2016 — Avis Budget Group, Inc. (NASDAQ:CAR) is celebrating the anniversary of Avis Direct, the Company's direct-to-dealer used-car sales program designed exclusively for licensed automobile dealers. Launched in 2014, Avis Direct is a key alternative distribution channel that the Company utilizes to help dispose of its vehicles. Avis Direct provides dealers with a dedicated website which offers for purchase a wide selection of late-model, off-rental vehicles from Avis, Budget, Payless and Zipcar — with no enrollment or purchase fees. Avis Direct regional consultants are also available to assist dealers.

"We're excited to celebrate this anniversary," said Michael Schmidt, senior vice president of fleet services, Avis Budget Group. "In two years, we've enrolled nearly 4,000 dealers into the program, and last year, more than 35 percent of our risk vehicles were sold through alternative distribution channels, including Avis Direct. We look forward to continuing to provide dealers with direct, easy and fast ways to purchase our quality used vehicles."

Avis Direct enables automobile dealers to purchase Avis Budget Group's used vehicles online and pick up vehicles at locations across the United States. Dealers also benefit from online photos and independent third-party condition reports.
