**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Trustee and Participants of the  
AB Car Rental Services, Inc. Retirement Savings Plan (formerly Cendant Car Rental Operations Support, Inc. Retirement Savings Plan):

We have audited the accompanying statements of net assets available for benefits of the AB Car Rental Services, Inc. Retirement Savings Plan (formerly Cendant Car Rental Operations Support, Inc. Retirement Savings Plan) (the "Plan") as of December 31, 2006 and 2005, and the related statement of changes in net assets available for benefits for the year ended December 31, 2006. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2006 and 2005, and the changes in net assets available for benefits for the year ended December 31, 2006 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2006 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management. Such schedule has been subjected to the auditing procedures applied in our audit of the basic 2006 financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

**1. DESCRIPTION OF THE PLAN**

The following description of the AB Car Rental Services, Inc. Retirement Savings Plan (the “Plan”) (formerly Cendant Car Rental Operations Support, Inc. Retirement Savings Plan) provides only general information. Participants should refer to the Summary Plan Description or the Plan document, which are available from AB Car Rental Services, Inc. (the “Company”) for a more complete description of the Plan’s provisions. The Company is a wholly owned subsidiary of Avis Budget Group, Inc. (“ABGI”) (formerly Cendant Corporation).

The Plan is a defined contribution plan that provides Internal Revenue Code (“IRC”) Section 401(k) employee salary deferral benefits and additional employer contributions for the Company’s eligible employees. The Avis Budget Group, Inc. Employee Benefits Committee is the Plan administrator (“Plan Administrator”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Merrill Lynch Trust Company FSB (the “Trustee”) is the Plan’s trustee.

Pursuant to certain resolutions of the Executive Committee of the Company’s Board of Directors, the Plan was amended in 2006 to change the Plan name to AB Car Rental Services, Inc. Retirement Savings Plan and to allow for the transfer of participants’ balances between the Plan and other affiliated plans of the Company.

On July 31, 2006, the Company’s parent, ABGI, completed the spin-offs of Realogy Corporation (“Realogy”) and Wyndham Worldwide Corporation (“Wyndham”) and distributed one share each of Realogy and Wyndham common stock for every four and five shares, respectively, of the outstanding Cendant Corporation common stock held on July 21, 2006. On August 23, 2006, ABGI completed the sale of Travelport.

Following the spin-offs of Realogy and Wyndham and the sale of Travelport, the parent company’s stockholders approved a change in the parent company’s name from Cendant Corporation to Avis Budget Group, Inc., and Cendant Car Rental Operations Support, Inc. was changed to AB Car Rental Services, Inc. On September 5, 2006, ABGI completed a 1-for-10 reverse stock split of ABGI’s common stock and references to common share data within the notes to the financial statements have been revised to reflect the reverse stock split (see Note 6 – Exempt Party-in-Interest Transactions).

The following is a summary of certain Plan provisions:

*Eligibility* – Each employee, who as of March 31, 2004, was eligible to participate in a qualified defined contribution plan of the Affiliates became an eligible participant on the later of (i) April 1, 2004 or (ii) the date such employee ceased participation in such other qualified defined contribution plan. Each other employee may elect to become a contributing participant after having met all of the following requirements: (i) the status of a non-union or non Level I employee, as defined in the Plan document (ii) the attainment of age 21 and (iii) the completion of one year of service (a year of

## [Table of Contents](#)

service means the completion of at least 1,000 hours of service during the first twelve months of employment or the completion of at least 1,000 hours in any Plan year that follows the employment date).

*Participant Contributions* – Participants may elect to make pre-tax contributions up to 16% of pre-tax annual compensation up to the statutory maximum of \$15,000 for 2006. In addition, employees participating in the Plan may make additional contributions (that are not matched by employer contributions) from 1% to 10% of specified compensation on a current, after-tax basis, subject to certain limitations imposed by law. Certain eligible participants (age 50 and over) are permitted to contribute an additional \$5,000 as a catch up contribution, resulting in a total pre-tax contribution of \$20,000 for 2006.

*Employer Contributions* – The Company contributes to the Plan with respect to each participating employee (i) an amount equal to the sum of 50% of the first 6% of the participant's compensation that is contributed to the Plan, plus (ii) an amount equal to 3% of participants' annual compensation.

*Rollovers* – All employees, upon commencement of employment, are provided the option of making a rollover contribution into the Plan in accordance with Internal Revenue Service ("IRS") regulations.

*Investments* – Participants direct the investment of contributions to various investment options and may reallocate investments among the various funds or change future contributions on a daily basis. The fund reallocation must be in 1% increments and include both employee and employer contributions and is limited to one reallocation each day, subject to restrictions imposed by mutual fund companies to curb short term trading. Participants should refer to the Plan document regarding investments in Company and other common stock. Participants should refer to each fund's prospectus for a more complete description of the risks and restrictions associated with each fund.

*Vesting* – At any time, participants are 100% vested in their pre-tax and after tax contributions to the Plan plus actual earnings thereon. Company matching contributions are fully vested upon 3 years of service without partial vesting prior thereto. The Company's 3% contribution vests immediately.

*Loan Provisions* – Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of their vested balance provided the vested balance is at least \$2,000. The loans are secured by the participant's vested account balance and bear interest at rates commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions.

*Participant Accounts* – A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, including interest, dividends and net realized and unrealized appreciation in fair value of investments. Each participant's account is also charged with an allocation of net realized and unrealized depreciation in fair value of investments, certain administrative expenses and withdrawals. Allocations are based on participant account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Payment of Benefits to Participants* – Participants are entitled to withdraw certain portions of their vested accounts in accordance with the terms of the Plan and applicable law. Participants are permitted to process in-service withdrawals, in accordance with Plan provisions, upon attaining age 59 1/2 or for hardship in certain circumstances, as defined in the Plan document, before that age. Distribution of the participant's account may be made in a lump sum payment upon retirement, death or disability, or upon termination of employment, subject to the vesting requirements of the Plan.

## [Table of Contents](#)

*Forfeited Accounts* – Forfeited balances of terminated participants' non-vested accounts are first used to pay Plan expenses, if any, and then to decrease employer contributions. As of December 31, 2006 and 2005, forfeited account balances amounted to \$2,353 and \$314, respectively. During 2006 no forfeited non-vested accounts were used to reduce employer contributions.

*Administrative Expenses* – Administrative expenses of the Plan may be paid by the Company; otherwise, such expenses are paid by the Plan.

*Transfers from Affiliated Plans* – Net transfers of participants account balances from affiliated plans totaled \$2,398,601 for the year ended December 31, 2006.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting* – The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America.

*Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported and related disclosures. Actual results could differ from those estimates.

*Risk and Uncertainties* – The Plan invests in various securities, including mutual funds, common/collective trusts, and Avis Budget Group, Inc. common stock and other common stock. Investment securities are exposed to various risks, such as interest rate and credit risks and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect the amounts reported in the financial statements.

*Cash and Cash Equivalents* – The Plan considers highly liquid investments with an original maturity of three months or less to be cash equivalents.

*Adoption of New Accounting Guidance* – As described in Financial Accounting Standards Board Staff Position, FSP AAG INV-1 and SOP 94-4-1, *Reporting of Fully Benefit-Responsive Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans* (the "FSP"), investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The financial statements reflect the retroactive adoption of the FSP. As required by the FSP, the Statements of Net Assets Available for Benefits presents investment contracts at fair value as well as an additional line item showing an adjustment of fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is presented on a contract value basis and was not affected by the adoption of the FSP. The adoption of the FSP did not impact the amount of net assets available for benefits at either December 31, 2006 or December 31, 2005.

*Valuation of Investments and Income Recognition* – The Plan's investments are stated at fair value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. Mutual funds are valued at the quoted market price, which

## [Table of Contents](#)

represents the net asset value of shares held by the Plan at year-end. Common/collective trusts are valued at the net asset value of the shares held by the Plan at year-end, which is based on the fair value of the underlying assets. Loans to participants are valued at outstanding loan balances, which approximate fair value. One of the Plan's common/collective trust investments is the Merrill Lynch Retirement Preservation Trust ("MLPT"). The MLPT invests primarily in synthetic guaranteed investment contracts that are primarily collateralized by graded debt securities and are valued at fair value of the underlying investments and then adjusted by the issuer to contract value. The fair value of the underlying debt securities are valued at the last available bid price in over the counter markets or on the basis of values obtained by independent valuation groups. The synthetic guaranteed investment wrapper contracts are valued by determining the difference between the present value of the replacement cost of the wrapper contract and the present value of the contractually obligated payments in the original wrapper contract. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals. The fair value recorded in the Plan's financial statements for such fund was \$10,934,179 and \$8,764,202 at December 31, 2006 and 2005, respectively.

Management fees and operating expenses charged to the Plan for investments in the mutual funds and common/collective trusts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is recorded when earned. The accompanying Statement of Changes in Net Assets Available for Benefits presents net appreciation in fair value of investments, which includes unrealized gains and losses on investments held at December 31, 2006, realized gains and losses on investments sold during the year then ended and management and operating expenses associated with the Plan's investments in mutual funds and common/collective trusts.

*Benefit Payments* – Benefits to participants are recorded upon distribution. Amounts allocated to accounts of participants who have elected to withdraw from the Plan, but have not yet received from the Plan totaled \$9,861 and \$4,107 at December 31, 2006 and 2005, respectively.

### 3. INVESTMENTS

The following table presents investments at fair value that represent five percent or more of the Plan's net assets available for benefits as of December 31,

	<u>\$859,942</u>

(\*) Includes the common stock of Avis Budget Group, Inc., Realogy Corp. and Wyndham Worldwide Corp. (see Note 1 – Description of the Plan for more information).

#### 4. FEDERAL INCOME TAX STATUS

The IRS determined and informed the Company by letter dated March 6, 2006 that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving this determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

#### 5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

A portion of the Plan's investments represents shares in funds managed by Merrill Lynch Trust Company FSB, the trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions.

At December 31, 2006 and 2005, the Plan held 1,671 and 574 shares, respectively, of Avis Budget Group, Inc., common stock with a cost basis of \$97,167 and \$114,431, respectively. During 2006, the Plan earned dividend income of \$656 from ABGI, which is the parent of the sponsoring employer.

#### 6. PLAN TERMINATION

Although the Company has not expressed any intention to do so, the Company reserves the right to modify, suspend, amend or terminate the Plan in whole or in part at any time subject to the provisions of ERISA. If the Plan is terminated, the amounts credited to the employer contribution accounts of all participants become fully vested.
