PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO
BE HELD ON TUESDAY, MAY 21, 2002

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Cendant Corporation, a Delaware corporation (the "Company"), to be voted at the 2002 Annual Meeting of Stockholders, and any adjournment or postponement thereof (the "Meeting"), to be held on the date, at the time and place, and for the purposes set forth in the foregoing notice. This Proxy Statement, the accompanying notice and the enclosed proxy card are first being mailed to stockholders on or about March 31, 2002.

The Board of Directors does not intend to bring any matter before the Meeting except as specifically indicated in the notice, nor does the Board of Directors know of any matters which anyone else proposes to present for action at the Meeting. However, if any other matters properly come before the Meeting, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters.

Shares of the Company's CD common stock, par value \$.01 per share (the "Common Stock"), represented by proxies received by the Company (whether through the return of the enclosed proxy card or by telephone), where the stockholder has specified his or her choice with respect to the proposals described in this Proxy Statement (including the election of directors), will be voted in accordance with the specification(s) so made. If your proxy is properly executed but does not contain voting instructions, or if you vote via telephone or the Internet without indicating how you want to vote, your shares will be voted "FOR" the election of all five nominees for the Board of Directors, "FOR" the ratification of the appointment of Deloitte & Touche LLP as auditors of the Company's financial statements for the year ending December 31, 2002 and "FOR" the proposal to declassify the Board of Directors.

Except as provided below, any proxy may be revoked at any time prior to its exercise by notifying the Secretary in writing, by delivering a duly executed proxy bearing a later date or by attending the Meeting and voting in person.

For participants in the Cendant Corporation Employee Savings Plan (the "Savings Plan") and the Galileo International Savings and Investment Plan (the "Galileo Plan") with shares of Common Stock credited to their accounts, voting

instructions for the trustees of the Savings Plan and the Galileo Plan are also being solicited through this Proxy Statement. In accordance with the provisions of the Savings Plan and the Galileo Plan, the respective trustees will vote shares of Common Stock in accordance with instructions received from the participants to whose accounts such shares are credited. To the extent such instructions are not received prior to twelve o'clock noon, New York Time, on May 15, 2002, (i) the trustee of the Savings Plan will vote the shares with respect to which it has not received instructions proportionately in accordance with the shares for which it has received instructions and (ii) the trustee of the Galileo Plan will not vote the shares with respect to which it has not received instructions. Instructions given with respect to shares in accounts of the Savings Plan and the Galileo Plan may be changed or revoked only in writing, and no such instructions may be revoked after twelve o'clock noon, New York Time, on May 15, 2002. Participants in the Savings Plan and the Galileo Plan are not entitled to vote in person at the Meeting.

If a participant in the Savings Plan or the Galileo Plan has shares of Common Stock credited to his or her account and also owns other shares of Common Stock, he or she should receive separate proxy cards for shares credited to his or her account in the Savings Plan or the Galileo Plan and any other shares that he or she owns. All such proxy cards should be completed, signed and returned to the transfer agent to register voting instructions for all shares owned by him or her or held for his or her benefit in the Savings Plan's Cendant Stock Fund or the Galileo Plan's Cendant Stock Fund.

The accompanying form of proxy is being solicited on behalf of the Board of Directors of the Company. The expenses of solicitation of proxies for the Meeting will be paid by the Company. In addition to the mailing of the proxy material, such solicitation may be made in person or by telephone by directors, officers and employees of the Company, who will receive no additional compensation therefor. Upon request, the Company will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding material to beneficial owners of shares of Common Stock. The Company has retained Mellon Investor Services to aid in the solicitation of proxies. It is estimated that the fee for Mellon Investor Services will be approximately \$12,500.00 plus reasonable out-of-pocket costs and expenses. Such fee will be paid by the Company.

VOTING SECURITIES AND PRINCIPAL HOLDERS

OUTSTANDING SHARES AND VOTING RIGHTS

Only holders of record of the Common Stock at the close of business on March 15, 2002 are entitled to notice of, and to vote at, the Meeting. On that date, the Company had outstanding 982,020,341 shares of Common Stock, held of record by 10,093 stockholders.

The presence, in person or by proxy, of the holders of not less than one-third of the Common Stock entitled to vote at the Meeting will constitute a quorum. On all matters voted upon at the Meeting and any adjournment or postponement thereof, the holders of the Common Stock vote together as a single class, with each record holder of Common Stock entitled to one vote per share.

Directors shall be elected by a plurality of the votes of the shares of Common Stock present at the Meeting, in person or by proxy, and entitled to vote in the election of Directors. Under applicable Delaware law, in determining whether such nominees have received the requisite number of affirmative votes, abstentions and broker non-votes will have no effect on the outcome of the vote.

Approval of the proposal relating to the ratification of the appointment of auditors of the Company's financial statements requires the affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Meeting. Under applicable Delaware law, in determining whether such proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be counted and will have the same effect as a vote against the proposal.

Approval of the proposal relating to the declassification of the Board of Directors requires the affirmative vote of at least 80% of the voting power of all shares of the Company entitled to vote generally in the election of directors. Under applicable Delaware law, in determining whether such proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be counted and will have the same effect as a vote against the proposal.

In order that your shares of Common Stock may be represented at the Meeting, you are requested to:

- indicate your instructions on the proxy;
- date and sign the proxy;
- mail the proxy promptly in the enclosed envelope; and
- allow sufficient time for the proxy to be received before the date of the Meeting.

Alternatively, in lieu of returning signed proxy cards, the Company's stockholders of record can vote their shares by telephone. If you are a registered shareholder (that is, if you hold your stock in certificate form), you may vote by telephone, or electronically through the Internet, by following the instructions included with your proxy card. If your shares are held in "street name" such as in a stock brokerage account or by a bank or other nominee, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically. The deadline for voting by telephone or electronically is 4:00 p.m., New York time, on the business day prior to the date of the Meeting. A proxy may be revoked at any time prior to the voting at the Meeting by submitting a later dated proxy (including a proxy by telephone or electronically through the Internet), by giving timely written notice of such revocation to the Secretary of the Company or by attending the Meeting and voting in person. However, if you hold shares in "street name," you may not vote these shares in person at the Meeting unless you bring with you a legal proxy from the stockholder of record.

NO PERSON IS AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATION OTHER THAN THOSE CONTAINED IN THIS PROXY STATEMENT, AND, IF GIVEN

OR MADE, SUCH INFORMATION MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED AND THE DELIVERY OF THIS PROXY STATEMENT SHALL, UNDER NO CIRCUMSTANCES, CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN THE AFFAIRS OF THE COMPANY SINCE THE DATE OF THIS PROXY STATEMENT.

EXECUTIVE COMMITTEE

The Executive Committee is composed of Messrs. Silverman (Chairman), Buckman, Holmes and Edelman (the "Executive Committee"). The Executive Committee has and may exercise all of the powers of the Board of Directors when the Board is not in session, including the power to authorize the issuance of stock, except that the Executive Committee has no power to (a) alter, amend or repeal the By-Laws or any resolution or resolutions of the Board of Directors, (b) declare any dividend or make any other distribution to the stockholders of the Company, (c) appoint any member of the Executive Committee, or (d) take any other action which legally may be taken only by the full Board of Directors. The Chairman of the Board will serve as Chairman of the Executive Committee. The Executive Committee held two meetings in 2001.

NOMINATING COMMITTEE

The Nominating Committee is composed of Messrs. Mulroney (Chairman), Coleman and Smith and Ms. Mills (the "Nominating Committee"), each of whom is an independent Director. Any shareholder wishing to propose a nominee should submit a recommendation in writing to the Company's Secretary, indicating the nominee's qualifications and other relevant biographical information and providing confirmation of the nominee's consent to serve as a director. Such proposals for nominees will be given due consideration by the Committee for recommendations to the Board based on the nominee's qualifications. While the Nominating Committee held no meetings in 2001, the Committee did act by written consent to nominate members of the Board of Directors to stand for election at the 2001 Annual Meeting. In February 2002, the Board of Directors met to nominate members of the Board of Directors to stand for election for the 2002 Annual Meeting.

AUDIT COMMITTEE

The Audit Committee is composed of Messrs. Smith (Chairman), Mulroney and Coleman and Ms. Rosenberg (the "Audit Committee"). The functions of the Audit Committee and its activities during fiscal 2001 are described below under the heading Report of the Audit Committee. During the year, the Board reviewed the composition of the Audit Committee in light of the New York Stock Exchange rules governing audit committees. Based upon this examination, the Board confirmed that all members of the Audit Committee are "independent" within the meaning of the New York Stock Exchange's rules. The Board of Directors has a written charter for the Audit Committee, a copy of

7

which was attached to the Company's Proxy Statement furnished in connection with the Company's 2001 Annual Meeting. The Audit Committee held nine meetings in 2001.

COMPENSATION COMMITTEE

The Compensation Committee is composed of Messrs. Coleman (Chairman) and Smith and Ms. Biblowit (the "Compensation Committee"). The Compensation Committee has the following powers and authority: (i) determining and fixing the compensation for all executive officers of the Company and those of its subsidiaries that the Compensation Committee shall from time to time consider appropriate, as well as all employees of the Company and its subsidiaries compensated at a rate in excess of such amount per annum as may be fixed or determined from time to time by the Board; (ii) performing the duties of the committees of the Board provided for in any present or future stock option, incentive compensation or employee benefit plan of the Company or, if the Compensation Committee shall so determine, any such plan of any subsidiary; and (iii) reviewing the operations of and policies pertaining to any present or future stock option, incentive compensation or employee benefit plan of the Company or subsidiary that the Compensation Committee shall from time to time consider appropriate. Each resolution of the Compensation Committee requires the majority of the members of such committee. The Compensation Committee held eight meetings in 2001.

SPECIAL LITIGATION COMMITTEE

The Special Litigation Committee is composed of Mses. Rosenberg (Chairwoman) and Mills (the "Special Litigation Committee"). The Special Litigation Committee serves to investigate and evaluate the allegations and issues raised in the derivative litigation actions (the "Derivative Actions") pending against certain former and current officers and directors of the Company and to prepare such reports, arrive at such decisions and take such other actions in connection with the Derivative Actions as the Special Litigation Committee deems appropriate and in the best interests of the Company and its stockholders, in accordance with Delaware law. The Special Litigation Committee held nine meetings in 2001.

CORPORATE POLICY COMMITTEE

The Corporate Policy Committee is composed of Messrs. Coleman (Chairman) and Edelman and Ms. Biblowit (the "Corporate Policy Committee"). The Corporate Policy Committee held five meetings in 2001.

DIRECTOR COMPENSATION

Non-Employee Directors of the Company receive an annual retainer of \$40,000, plus \$5,000 for chairing a committee and \$3,000 for serving as a member of a committee other than as Chairman. One hundred percent of the \$40,000 annual stipend is paid to each Director ratably in Common Stock on a quarterly basis. The calculations of stock paid to Non-Employee Directors is made based on the average of the closing price of Common Stock on the New York Stock Exchange on the last five trading days of the calendar quarter to which such stock payment relates. The Company has implemented a program providing its Non-Employee Directors the opportunity to defer the receipt of their annual stipend until their separation of service from the Board. Non-Employee Directors also are paid \$1,000 for each Board of Directors meeting attended and \$500 (\$1,000 for committee chair) for each Board committee meeting if held on the same day as a Board of Directors meeting and \$1,000 (\$2,000 for committee chair) for each Board committee meeting attended on a day on which there is no Board meeting. Members of the Special Litigation Committee receive a fee of \$350 per hour for

8

their services due to the substantial time commitment required of the committee

members. Members of the Board and each committee will also receive a fee of \$500 for each proposed unanimous written action in lieu of a meeting. Non-Employee Directors are reimbursed for expenses incurred in attending meetings of the Board of Directors and committees.

The Company provides \$100,000 of term life insurance coverage for each Non-Employee Director to the beneficiary designated by such Non-Employee Director. In addition, the Company has purchased joint life insurance contracts in the amount of \$1 million for each Director. Upon the death of such Director while still in office, the Company will donate an aggregate of \$1 million to one or more charitable organizations designated by such Director from the proceeds of such insurance policy. With the exception of such joint life insurance contracts, members of the Board of Directors who are officers or employees of the Company or any of its subsidiaries do not receive compensation or reimbursement of expenses for serving in such capacity (other than travel related expenses for meetings held outside of the Company's headquarters).

Non-Employee Directors have also received grants of stock options under one or more of the following plans: 1990 Directors Stock Option Plan, 1992 Directors Stock Option Plan, 1994 Director Stock Option Plan, the 1997 Stock Incentive Plan, the 1997 Stock Option Plan and the HFS Incorporated 1993 Stock Option Plan. In 2001, each of the Non-Employee Directors received a grant of 50,000 Common Stock options. Also, in 2001, in connection with the Company's sale of its Move.com and related businesses, each of the Non-Employee Directors consented to the cancellation of outstanding options to purchase Move.com tracking stock held by such Non-Employee Director in exchange for a cash payment. See "EXECUTIVE COMPENSATION AND OTHER INFORMATION--Compensation Committee Report on Executive Compensation."

Directors shall be elected by the affirmative vote of a plurality of the shares of Common Stock present at the Meeting, in person or by proxy, and entitled to vote in the election of directors. Pursuant to applicable Delaware law, abstentions and broker non-votes will have no effect on the outcome of the vote.

- (1) The vesting of options accelerates under certain circumstances (including a change of control of the Company). See "EXECUTIVE COMPENSATION AND OTHER INFORMATION--Employment Contracts and Termination, Severance and Change of Control Arrangements."
- (2) The values assigned to each reported option on this table are computed using the Black-Scholes option pricing model. The calculations assume a risk-free rate of return of 4.65%, which represents the yield of United States Treasury Notes having a maturity on the option grant date approximating the expected life of the option. The calculations for all option grant dates assume a 49.4% volatility; however, there can be no assurance as to the actual volatility of the Company's common stock in the future. The calculations for all grant dates also assume no dividend payout

and a 5.27 year expected life. In assessing these option values, it should be kept in mind that no matter what theoretical value is placed on a stock option on the date of grant to a Named Executive Officer, its ultimate value will depend on the market value of the Company's common stock at a future date.

(3) Mr. Silverman will not receive an option grant in 2002; he has waived his right to any option grant under his employment agreement.

AGGREGATE OPTION EXERCISES IN 2001 AND YEAR-END OPTION VALUES TABLE

The following table summarizes the exercise of Common Stock options by the Named Executive Officers during the last fiscal year and the value of unexercised options held by such executives as of the end of such fiscal year. All shares acquired on exercise (and value realized) are pursuant to exercises of Common Stock options and a voluntary cash-out of Move.com tracking stock options. The number of securities underlying unexercised in-the-money options (and the value of unexercised in-the-money options) reflect only the aggregate value of Common Stock options.

Mr. Silverman was not granted any Move.com tracking stock options. EMPLOYMENT CONTRACTS AND TERMINATION, SEVERANCE AND CHANGE OF CONTROL
 ARRANGEMENTS

Each Named Executive Officer is employed by the Company pursuant to a written agreement of employment. Each such employment agreement contains covenants precluding the Named Executive Officer from competing, directly or indirectly, against the Company and/or the business unit or units for which such officer performs services, during a period of time set forth in each respective employment agreement.

MR. SILVERMAN. Mr. Silverman is employed by the Company pursuant to an employment agreement originally entered into as of September 30, 1991 between Mr. Silverman and HFS Incorporated and amended and restated from time to time (the "Silverman Employment Agreement"). Mr. Silverman serves the Company as its President and Chief Executive Officer and as the Chairman of the Board and the Chairman of the Executive Committee of the Board. The term of employment under

the Silverman Employment Agreement expires on August 1, 2010, subject to earlier termination upon certain events.

Effective for 2002, the Compensation Committee approved a base salary for Mr. Silverman equal to \$3,196,000, an increase of 1.67% over 2001. The Silverman Employment Agreement provides Mr. Silverman an annual bonus opportunity equal to the lesser of (i) 0.75% of the Company's "EBITDA" (as defined in the Silverman Employment Agreement) for the applicable fiscal year or (ii) 150% of his annual base salary. The Silverman Employment Agreement requires the Company to provide Mr. Silverman with term life insurance in the amount of \$100 million during the term of employment. The Silverman Employment Agreement also requires the Company to provide Mr. Silverman with option grants and specified officer perquisites, however, for 2002, Mr. Silverman has waived his right to an option grant.

The Silverman Employment Agreement provides that if Mr. Silverman resigns his employment in connection with a breach by the Company of the Silverman Employment Agreement, or if he is terminated by the Company without Cause (as defined in the Silverman Employment Agreement), he will be entitled to receive a lump sum cash payment equal to (i) the lesser of (a) 150% of his annual base salary or (b) the sum of his annual base salary plus 0.75% of EBITDA for the 12 months preceding the date of termination, multiplied by (ii) the number of years and partial years remaining in the term of employment under the Silverman Employment Agreement. In addition, Mr. Silverman would be entitled to continued health and welfare benefits during the remaining term of employment and the vesting of any options and restricted stock. However, the Company may remove Mr. Silverman from his position of President and/or Chief Executive Officer (but not Chairman of the Board) without triggering such termination provisions. After termination of Mr. Silverman's employment with the Company other than due to death or for Cause (but including a resignation for good reason), (i) the Company would provide Mr. Silverman, through August 31, 2009, term life insurance in the amount of \$100 million; and (ii) the Company would provide him certain benefits for life, including office and clerical support, executive transportation services (including use of aircraft), security services, continued access to other general facilities and services and reimbursement of any properly documented business expenses. During such period, Mr. Silverman would be required to keep himself reasonably available to the Company to render advice or to provide services for no more than 30 days per year, in return for which he will be paid \$30,000 per month.

The Silverman Employment Agreement further provides that Mr. Silverman will be made whole on an after-tax basis with respect to certain excise taxes in connection with a change of control of the Company which may, in certain cases, be imposed upon payments thereunder and other compensation and benefit arrangements.

MESSRS. HOLMES AND BUCKMAN. The Company entered into employment agreements with Messrs. Holmes and Buckman dated as of September 12, 1997 (such agreements, respectively, the "Holmes Employment Agreement" and the "Buckman Employment Agreement," and collectively, the

16

"1997 Employment Agreements"). Each of the 1997 Employment Agreements originally provided for a period of employment through December 17, 2002; however, such agreements contain automatic extension periods which cause each respective period of employment to be extended by one year on an annual basis (an extension of the period of employment through December 17, 2006 has taken effect under each of the 1997 Employment Agreements).

Each of the 1997 Employment Agreements specifies the compensation and benefits provided to the executive during the period of employment. Effective for 2002, the Compensation Committee approved base salaries for Messrs. Holmes and Buckman equal to \$762,500. For 2001, the Compensation Committee approved a target incentive bonus payment of 100% of base salary, as well as an additional discretionary bonus payment. Each of Messrs. Holmes and Buckman is eligible to participate in all of the Company's other compensation and employee benefit plans or programs and to receive officer perquisites.

Each of the 1997 Employment Agreements provides for certain payments in the event of termination of the Executive's employment under various circumstances. The Holmes Employment Agreement provides that if the Executive's employment is terminated by the Company other than for Cause, or by the Executive for Constructive Discharge or resignation, the Company will pay the Executive a lump sum cash payment equal to 500% of the sum of (i) his annual base salary and (ii) the highest annual bonus he has received for any of the three preceding years (or \$520,000, if higher). In such event, the Executive would also receive any earned but unpaid base salary and incentive compensation, his benefits and perquisites would continue for 36 months and any stock options (excluding the option granted January of 2001 in the case of a resignation) and restricted stock would vest (and such options would remain outstanding for the remainder of their terms without regard to such termination).

The Buckman Employment Agreement provides that if Mr. Buckman's employment is terminated by the Company other than for Cause or by Mr. Buckman for Constructive Discharge, the Company will pay Mr. Buckman a lump sum cash payment equal to 500% of the sum of (i) his annual base salary and (ii) the highest annual bonus he has received for any of the three preceding years (or \$500,000, if higher) ("Buckman Salary plus Bonus"). Mr. Buckman may also resign at any time and receive a lump sum cash payment equal to 200% of Buckman Salary plus Bonus. In any of the foregoing situations, Mr. Buckman would also receive any earned but unpaid base salary and incentive compensation, his benefits and perquisites would continue for 36 months and any stock options (excluding the option granted January of 2001 in the case of a resignation) and restricted stock would vest (and such options would remain outstanding for the remainder of their terms without regard to such termination).

Each 1997 Employment Agreement provides that the Executive will be made whole on an after-tax basis with respect to certain excise taxes in connection with a change of control of the Company which may, in certain cases, be imposed upon payments thereunder and other compensation and benefit arrangements.

MR. SMITH. The Company entered into an amended and restated employment agreement with Mr. Smith as of June 2, 2001 (the "Smith Employment Agreement"). The Smith Employment Agreement is set to expire on June 30, 2004, subject to earlier termination or extension upon certain events.

The Smith Employment Agreement provides that during his term of employment, Mr. Smith will be paid an annual base salary equal to \$750,000 and will be eligible for annual bonuses based on a target of 100% of annual base salary. Effective for 2002, the Company increased Mr. Smith's base salary to \$762,500. Mr. Smith is eligible to participate in all of the Company's other compensation and employee benefit plans or programs and to receive officer perquisites. The Smith Employment Agreement provides that if Mr. Smith's employment is terminated by the Company other than for

17

Cause or by Mr. Smith for Constructive Discharge, the Company will pay Mr. Smith a lump sum cash payment equal to 300% of his base salary plus target incentive bonus. In addition, each of Mr. Smith's outstanding options granted after September 3, 1998 will become fully vested and remain exercisable until the first to occur of the fifth anniversary of the date of such termination and the original expiration date of such option. In addition, Mr. Smith and his eligible dependents will remain covered under certain welfare benefit plans sponsored by the Company until Mr. Smith reaches age 75.

MR. KATZ. The Company entered into an amended and restated employment agreement with Mr. Katz as of June 5, 2000 (the "Katz Employment Agreement"). The Katz Employment Agreement is set to expire on December 31, 2003, subject to earlier termination or extension upon certain events.

The Katz Employment Agreement provides that during his term of employment, Mr. Katz will be paid an annual base salary equal to \$500,000 and will be eligible for annual bonuses based on a target of 100% of annual base salary. Effective for 2002, the Company increased Mr. Katz' base salary to \$762,500. Mr. Katz is eligible to participate in all of the Company's other compensation and employee benefit plans or programs and to receive officer perquisites. The Katz Employment Agreement provides that if Mr. Katz' employment is terminated by the Company other than for Cause or by Mr. Katz for Constructive Discharge, the Company will pay Mr. Katz a lump sum cash payment equal to 300% of his base salary plus target incentive bonus (or if higher, the base salary and target incentive bonus of any other senior officer of the Company). In addition, each of Mr. Katz' outstanding options granted after June 5, 2000 will become fully vested and remain exercisable until the first to occur of the third anniversary of his termination of employment and the original expiration date of such option (the "Option Extension").

OTHER CHANGE OF CONTROL PROVISIONS. In connection with the merger of HFS Incorporated and CUC International Inc., action was taken by the Company to provide that any employee formerly with HFS Incorporated who incurs a golden parachute excise tax under Section 4999 of the Internal Revenue Code, if and to the extent applicable, incurred because of the vesting of options granted prior to such merger, will be reimbursed by the Company for the economic costs incurred by such employee, including a tax gross-up payment to account for any additional golden parachute excise tax incurred by reason of such reimbursement to the Named Executive Officers, if any. In addition, action was also taken by the Company to provide for a similar reimbursement in the event a future corporate event causes an excise tax liability.

STOCK OPTIONS AND RESTRICTED STOCK. Generally, all stock options granted to each of the Named Executive Officers under any applicable stock option plan of the Company will become fully and immediately vested and exercisable, and all

restrictions on shares of restricted stock will lapse, upon the occurrence of any change of control transaction affecting the Company.

NOTWITHSTANDING ANYTHING TO THE CONTRARY SET FORTH IN ANY OF THE COMPANY'S PREVIOUS FILINGS UNDER THE SECURITIES ACT OR THE EXCHANGE ACT THAT MIGHT INCORPORATE FUTURE FILINGS, INCLUDING THIS PROXY STATEMENT, IN WHOLE OR IN PART, THE FOLLOWING COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION AND PERFORMANCE GRAPH SHALL NOT BE INCORPORATED BY REFERENCE INTO ANY SUCH FILINGS.

18

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for administering the Company's executive compensation policies and programs. The Compensation Committee also reviews and approves the salaries and bonuses of the Company's executive officers as well as all grants of options to purchase shares of Company common stock.

OFFICER COMPENSATION POLICY. The Compensation Committee administers the Company's executive compensation policies. These policies include:

- aligning the interests of executive officers with the long-term interests of the Company's stockholders;
- providing competitive levels of compensation which are, in large part, conditioned on the Company's attainment of specified performance targets and/or stock price appreciation; and
- attracting, motivating and retaining the best possible executive talent for the benefit of the Company's stockholders.

EMPLOYMENT AGREEMENTS. Each of the Named Executive Officers is employed by the Company pursuant to a written agreement of employment. A limited number of other executive officers of the Company are also employed pursuant to employment agreements. The Compensation Committee has considered the advisability of using employment agreements and has determined that under certain circumstances it is in the best interests of the Company insofar as it permits the Company to achieve its desired goals of retaining the best possible executive talent. In addition, each employment agreement contains restrictive covenants, including noncompetition, nonsolicit and confidentiality covenants, for the benefit of the businesses of the Company. The Compensation Committee has determined that the use of employment agreements may be necessary in certain cases to ensure the retention of key executive officers and to attract additional executive talent to the Company, including in connection with acquisitions. Each such employment agreement separately reflects the terms that the Compensation Committee felt were appropriate and/or necessary to retain the services of the particular executive officer, within the framework of the Company's compensation policies.

COMPONENTS OF EXECUTIVE COMPENSATION. The material elements of the Company's executive compensation arrangements include base salary, annual performance bonus and stock options. Each executive officer's total compensation package is designed to condition a significant portion of the executive officer's overall anticipated compensation on the Company's success in achieving specified performance targets and/or stock price appreciation. During 2001, the Compensation Committee acknowledged increasing competition for top executive talent and the aggressive recruiting tactics of the Company's competitors, as well as internet and technology companies, and considered such factors in its decision-making.

BASE SALARIES. Salaries paid to executive officers, other than the Chief Executive Officer, are reviewed annually by the Chief Executive Officer, the Chief Administrative Officer and the Executive Vice President-Human Resources based upon their assessment of the nature of the position and the contribution, experience and tenure of the executive officer. The Compensation Committee is responsible for determining the salary of the Chief Executive Officer. The salary levels of the Named Executive Officers are subject to the provisions of such employment agreements which are approved by the Compensation Committee (the employment agreements with the Named Executive Officers are described more fully under "Employment Contracts and Termination, Severance and Change of Control Arrangements"). From time to time, the Company performs market research and/or engages compensation consultants to advise on market rates of compensation for executive officers similarly situated, and the Compensation Committee considers such advice and surveys in connection with establishing salaries for executive officers.

19

ANNUAL BONUS. The Named Executive Officers are entitled to annual performance bonuses based upon the terms of their employment agreements (see "Employment Contracts and Termination, Severance and Change of Control

Arrangements"). As described under "Employment Contracts and Termination, Severance and Change in Control Arrangements," Mr. Silverman's employment agreement provides for an annual incentive bonus equal to the lesser of (i) 0.75% of the Company's EBITDA (as defined in such agreement) for the applicable fiscal year or (ii) 150% of his annual base salary. Under the Company's annual incentive bonus plan, certain employees are eligible to earn bonuses equal to a percentage of base salary based upon the degree of achievement of target levels of earnings before interest and taxes ("EBIT"). Such percentages of base salary range from 5% for the lowest level of employees eligible for bonuses if the minimum level of earnings is achieved, to a maximum of 100% for Senior Executive Vice Presidents and above, if the highest level of earnings is achieved (payment of up to 125% is available in the event that the highest level targets are greatly exceeded). In 2001, bonuses paid to executive officers of certain business units were paid at less than the target level to the extent such business units did not attain pre-established levels of EBIT (or other relevant performance measurement). The bonuses paid to the Named Executive Officers in respect of 2001 are set forth in the Summary Compensation Table.

In 2001, the Compensation Committee also considered and approved special discretionary bonuses for the Named Executive Officers (other than the Chief Executive Officer) and Messrs. Smith and Katz also received Strategic Initiative Bonuses relating to their extraordinary efforts in completing strategic and other initiatives within their respective business units. Mr. Silverman did not receive any such bonuses. The bonuses paid to the Named Executive Officers are set forth in the Summary Compensation Table.

STOCK OPTIONS. The Compensation Committee continues to believe that the most effective way to align the interests of executives with those of the Company's stockholders is to ensure that the executives hold material equity stakes in the Company. Therefore, the Compensation Committee has determined that the continued use of stock options is the best mechanism for long term incentive compensation of executive officers. The Compensation Committee administers each of the Company's stock option plans. Generally, option grants are approved by the Compensation Committee upon the recommendation of the Chief Executive Officer, the Chief Administrative Officer and the Executive Vice President-Human Resources, who determine the number of shares subject to such grants and the applicable terms and conditions of such grants. In general, to ensure that the use of stock options meets the intended long-term goals of the Compensation Committee, most stock option grants vest over a period of at least three years. In addition, the Company does not grant options with exercise prices below the fair market value of the Company common stock as of the date of grant. In 2001, the Compensation Committee approved enhanced option grants for eligible officers as an additional retention and incentive vehicle. The additional incentive was in response to a competitive market for executive talent in conjunction with a material drop in the market price of Company common stock which materially reduced the incentive and retention value of the Company's option program. Information with respect to option grants in 2001 to the Named Executive Officers is set forth in the "Option Grants Table."

SALE OF MOVE.COM TO HOMESTORE.COM. In connection with the creation of Move.com tracking stock, and the anticipated public offering thereof, the Compensation Committee approved the initial grant of Move.com tracking stock options to employees and directors of the Company and employees of Move.com to avoid conflicts between Move.com and the Company, and to align the interests of all employees towards creating value for Move.com and the Company as a whole. The recipients of Move.com option grants who were not employed directly by Move.com were primarily officers and employees of the Company's Real Estate Division.

The Compensation Committee also viewed the Move.com option grant as a necessary and appropriate retention device in the then current business climate during which internet and technology

companies appeared to be thriving, especially in comparison to "old economy" entities like the Company, and were successfully recruiting executive talent by offering attractive equity participation and option grants. All employees of the Company who were granted Move.com tracking stock options had their 2000 annual Company option grant recommendation reduced by a factor of 2.2 Company options for each Move.com tracking stock option granted. In 2001, the Company consummated the sale of Move.com and certain related businesses to Homestore.com in exchange for shares of Homestore.com common stock (the "Move.com Transaction"). In connection with the Move.com Transaction, Homestore.com agreed to assume Move.com tracking stock options held by Company employees who were transferred to Homestore.com upon consummation of the Move.com Transaction. Homestore.com would not agree to assume Move.com tracking stock options held by the Company employees who remained employed with the Company following the Move.com Transaction (this group of non-transferring employees included executive officers of the Company and Non-Employee Directors). Although Homestore.com would not assume the outstanding Move.com tracking stock options

held by the non-transferring employees, the Move.com Transaction was structured, from the Company's perspective, so that the Company received shares of Homestore.com common stock in exchange for (i) each outstanding Move.com tracking stock option held by the non-transferring employees and (ii) each outstanding share of Move.com tracking stock held by the Company. The shares of Homestore.com common stock received by the Company for each outstanding share of Move.com tracking stock and each outstanding Move.com tracking stock option had a value of \$24.47 upon consummation of the Move.com Transaction. In connection with the consummation of the Move.com Transaction and pursuant to a fair market value analysis conducted internally and by an independent third-party compensation consultant, the Compensation Committee determined to provide the non-transferring employees with the option of cancelling their outstanding Move.com tracking stock options in exchange for a cash payment equal to \$8.19 (the "Cancellation Payment"). In determining the Cancellation Payment, the Compensation Committee considered the fact that the Cancellation Payment was \$16.28 less than the consideration paid to the Company by Homestore.com for each outstanding Move.com tracking stock option at the time of the consummation of the Move.com Transaction. The Compensation Committee also determined that offering the option of the Cancellation Payment was appropriate in connection with the Move.com Transaction based upon, among other things, (i) the valuation of such businesses at the time of the consummation of the Move.com Transaction, (ii) the exercise price of the Move.com tracking stock options held by the non-transferring employees, (iii) the fact that the Company employees who were transferred to Homestore.com received options in Homestore.com in connection with the transaction and (iv) the non-transferring employees' legal rights with respect to the outstanding Move.com tracking stock options. Mr. Silverman held no Move.com tracking stock options; accordingly, Mr. Silverman did not receive a Cancellation Payment or any other equity or compensation awards in connection with the Move.com Transaction.

EXECUTIVE OFFICER RETENTION. In 2000, a number of factors gave rise to material concerns regarding the retention of key executive officers as well as other Company employees. The Compensation Committee recognized that because the Company is engaged primarily in service-oriented businesses, executive officer and employee retention is always a key concern. However, the concern was heightened by a number of factors. One factor was aggressive and competitive recruiting by internet and technology companies both in the New York Metropolitan area and nationwide, including the use of large equity grants to attract potential recruits away from established companies. In addition, a number of the Company's competitors targeted their recruiting efforts directly at the Company. In addition, the Compensation Committee recognized that the retention value inherent in Company equity awards had decreased in connection with certain economic events. In June of 2000, the Compensation Committee approved a special retention program designed to grant restricted cash and restricted Company common stock awards to approximately 200 officers and key employees. Such awards were established to vest only if such officers remain employed with the Company through either March 31, 2002 or

21

December 31, 2002, the dates by which senior management believed that retention issues would be resolved. By action of the Compensation Committee, the awards were accelerated and became vested on January 2, 2002. For the Named Executive Officers (other than Mr. Silverman), the awards consisted solely of restricted Company common stock. For other officers and key employees, the awards consisted of restricted common stock and cash. Mr. Silverman did not receive any retention award because the Compensation Committee did not consider it necessary or appropriate. The restricted stock awards granted to the Named Executive Officers are set forth in the Summary Compensation Table. Senior management and the Compensation Committee believe that the special retention program was successful in meeting its desired goals.

CHIEF EXECUTIVE OFFICER COMPENSATION. The compensation paid to Mr. Silverman during 2001 is based upon the minimum levels of his existing employment agreement, however Mr. Silverman has received increases in his base salary. Such agreement, and certain amendments made thereto, are described under "Employment Contracts and Termination, Severance and Change of Control Arrangements". Effective for 2001, Mr. Silverman's annual base salary was increased to \$3,143,500. Effective for 2002, Mr. Silverman's annual base salary was increased to \$3,196,000 which represents an increase of 1.67%. Mr. Silverman's annual bonus, which is disclosed in the Summary Compensation Table, was determined based on a formula set forth in his employment agreement, and is based directly on the Company's attainment of EBITDA (as defined in such employment agreement).

Mr. Silverman will not receive a stock option grant in 2002. Further, Mr. Silverman did not receive a Cancellation Payment, did not participate in the Retention Program and did not receive any other discretionary bonus.

DEDUCTIBILITY OF COMPENSATION. In accordance with Section 162(m) of the Code, the deductibility for federal corporate tax purposes of compensation paid

to certain individual executive officers of the Company in excess of \$1 million in any year may be restricted. The Compensation Committee believes that it is in the best interests of the Company's stockholders to comply with such tax law, while still maintaining the goals of the Company's executive compensation program. Accordingly, where it is deemed necessary and in the best interests of the Company to continue to attract and retain the best possible executive talent, and to motivate such executives to achieve the goals inherent in the Company's business strategy, the Compensation Committee will recommend, and the Company is expected to pay, compensation to executive officers which may exceed the limits of deductibility.

REPORT OF AUDIT COMMITTEE

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in

accordance with generally accepted accounting principles and to issue a report thereon. The Committee monitors these processes.

In this context, the Committee met and held discussions with management and the independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Committee reviewed and discussed the consolidated financial statements with management and the independent auditors. The Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU 380), as amended.

In addition, the Committee discussed with the independent auditors the auditors' independence from the Company and its management, and the independent auditors provided to the Committee the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission. The Committee and the Board also have recommended, subject to shareholder approval, the selection of the Company's independent auditors for fiscal year 2002.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Mr. Edelman is of counsel to Paul, Hastings, Janofsky & Walker, LLP, a New York City law firm (successor to Battle Fowler). Paul, Hastings represented the Company in certain matters in 2001. It is expected that Paul, Hastings will continue to represent the Company in connection with certain matters from time to time in the future.

Mr. Edelman is also a partner in Chartwell Hotels Associates ("Chartwell Hotels"), a general partnership affiliated with the Fisher Brothers and Gordon Getty, and its affiliate Chequers Investment Associates, which have acquired certain hotels and mortgages secured by hotels from the Resolution Trust Corporation. Chartwell Hotels currently owns an interest in 12 hotel properties franchised by the Company. During 2001, such hotel properties paid aggregate royalties of approximately \$1,947,451 to the Company.

In April 1995, the Company and Ramada Franchise Systems, Inc., a wholly-owned subsidiary of the Company ("RFS"), entered into a license agreement with Preferred Equities Corporation ("PEC"), the owner, developer and operator of interval ownership resort facilities, pursuant to which PEC was licensed to use certain RAMADA-Registered Trademark- servicemarks in connection with its facilities in the United States. In April, 2000, the Company and PEC agreed to extend the term of such agreement for a period of five years. Pursuant to such agreement, as extended, PEC paid RFS \$1 million in initial fees and will pay a percentage of Gross Sales (as defined) of interval ownership interests during the extended term of the agreement. During 2001, PEC paid \$1,267,038 in licensing fees to us. Until January 2002, Mr. Nederlander was the Chairman and a significant shareholder of MEGO Financial Corp., of which PEC is a wholly-owned subsidiary. Pursuant to an agreement with PEC entered into in 1996, Resort Condominiums International, LLC ("RCI") provides timeshare exchange and related travel and leisure services to PEC timeshare owners and members in exchange for fees payable by PEC to RCI. In 2001, PEC paid \$649,969 in fees to RCI under this arrangement.

PEC and RFS are also parties to a License Agreement, dated August 14, 2001, relating to PEC's use of the Ramada franchise system and use of the Ramada trademark at a hotel owned by PEC. Pursuant to such agreement, PEC paid us an additional \$210,985 in franchise fees.

On September 26, 2001, RWP Associates, a corporation wholly-owned by Robert

W. Pittman, sold to Cendant Transportation Corp., a wholly-owned subsidiary of the Company, a Dassault Bregnet Mystere Falcon 20-F5 aircraft for \$6,500,000. The price of the aircraft was determined by averaging the fair market values determined by three airplane brokers/consultants, all of which are unrelated to both the Company and Mr. Pittman.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the company's equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and greater than ten percent owners are required to furnish the Company with copies of all Forms 3, 4 and 5 they file.

Based solely on the Company's review of the copies of such forms it has received, except as set forth below, the Company believes that all its officers, directors, and greater than ten percent beneficial owners complied with all filing requirements applicable to them with respect to transactions during 2001.

On May 4, 2001, Tobia Ippolito filed an amended Form 3 excluding 1,254 shares of common stock inadvertently included in his original Form 3. On February 12, 2002, Mr. Ippolito reported on Form 5 an outstanding option inadvertently omitted from the Form 3 filed by him in May 2001.

RATIFICATION OF APPOINTMENT OF AUDITORS [PROPOSAL NO. 2]

Deloitte & Touche LLP has been appointed by the Board of Directors as the auditors for the Company's financial statements for 2002. A representative of Deloitte & Touche LLP is expected to be present at the Meeting and will have the opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions of stockholders.

The Audit Committee considered the non-audit services provided by Deloitte & Touche, LLP and determined that the provision of such services was compatible with maintaining Deloitte & Touche's independence. Deloitte & Touche LLP, the members of Deloitte Touche Tohmatsu, and their respective affiliates, billed the following:

AUDIT FEES. The aggregate fees for professional services rendered by Deloitte & Touche in connection with their audit of our consolidated financial statements and reviews of the consolidated financial statements included in our Quarterly Reports on Form 10-Q for the 2001 fiscal year was approximately \$6.9 million.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. The aggregate fees for professional services rendered by Deloitte & Touche in the 2001 fiscal year relating to financial information systems design and implementation was approximately \$1.3 million.

ALL OTHER FEES. The aggregate fees for all other services rendered by Deloitte & Touche in the 2001 fiscal year was approximately \$24.2 million and can be sub-categorized as follows:

AUDIT RELATED FEES. The aggregate fees for attestation services rendered by Deloitte & Touche for matters such as comfort letters and consents related to SEC and other registration statements, audits of employee benefit plans, agreed-upon procedures, due diligence pertaining to acquisitions and consultation on accounting standards or transactions was approximately \$15.3 million.

OTHER FEES. The aggregate fees for all other services, such as consultation related to tax planning and compliance, improving business and operational processes and regulatory matters, rendered by Deloitte & Touche in the 2001 fiscal year was approximately \$8.9 million.

The Audit Committee also approved a resolution restricting the utilization of Deloitte & Touche for certain non-audit matters other than tax and merger and acquisition related services. The Audit Committee also adopted a policy prohibiting the Company from hiring Deloitte & Touche personnel at the manager or partner level who have been directly involved in performing auditing procedures or providing accounting advice to the Company.

Although stockholder action on this matter is not required, the appointment of Deloitte & Touche LLP is being recommended to the stockholders for ratification. Pursuant to applicable Delaware law, the ratification of the appointment of auditors of the Company requires the affirmative vote of the

holders of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Meeting. Abstentions and broker non-votes will be counted and will have the same effect as a vote against this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT
YOU VOTE "FOR" THIS PROPOSAL.

BOARD DECLASSIFICATION PROPOSAL
[PROPOSAL NO. 3]

GENERAL

On March 19, 2002, the Board of Directors approved a resolution to submit to the stockholders for approval proposed amendments to Article III, Sections 1, 2 and 3 of the amended and restated by-laws of the Company and Article 9 (b), (d), (e), (g) and (h) of the amended and restated certificate of incorporation of the Company to eliminate classification of the Board and related matters effective as of the Meeting. Currently, the by-laws and amended and restated certificate of incorporation provide that the Board be divided into three classes with the number of Directors in each class being as nearly equal as possible. Each Director currently serves a three-year term and Directors for one of the three classes are elected each year. Accordingly, if the proposed amendments are approved, stockholders will elect the directors at this annual meeting and hereafter for a term of one year. The proposed amendment, which can only be approved with the affirmative vote of 80% of the votes which would be entitled to be cast generally in an election of Directors, would also eliminate the 80% voting requirement for any future amendments to Article 9 (b) of the amended and restated certificate of incorporation and Article III, Sections 1, 2 and 3 of the by-laws. The current terms of the Directors that do not expire in 2002 will not be affected if the proposed amendments are approved.

DESCRIPTION OF PROPOSAL

In 1997, in connection with the merger of CUC International Inc. and HFS Incorporated to form the Company, stockholders of the constituent corporations voted to approve the Certificate of Incorporation providing for a classified Board of Directors and to require the affirmative vote of 80% of the votes which would be entitled to be cast generally in the election of directors to amend such provision. This classified director provision is set forth in Article 9 (b) of the amended and restated certificate of incorporation and Article III, Section 1 of the by-laws. Under that classified director provision, approximately one-third of the Directors are elected annually and serve a three-year term.

Supporters of classified boards of directors believe that they help maintain continuity of experience and, as a result, may assist a company in long-term strategic planning. Additionally, supporters argue that a classified board may encourage a person seeking control of a company to initiate arm's-length discussions with management and the board, who may be in a position to negotiate a higher price or more favorable terms for stockholders or to seek to prevent a takeover that the board believes is not in the best interests of stockholders.

Alternatively, a classified board of directors limits the ability of stockholders to elect directors and exercise influence over a company, and may discourage proxy contests in which stockholders have an opportunity to vote for a competing slate of nominees. The election of directors is the primary avenue for stockholders to influence corporate governance policies and to hold management accountable for the implementation of those policies. A nonclassified board of directors may enable stockholders to hold all directors accountable on an annual basis, rather than over a three-year period.

Also, the existence of a classified board of directors may deter some tender offers or substantial purchases of stock that might give stockholders the opportunity to sell their shares at a price in excess of what they would otherwise receive. Accordingly, approval of the proposed amendment to the amended and restated certificate of incorporation might increase the likelihood of such a tender offer or substantial stock purchases by a person seeking to change the Company's Board of Directors.

At the 1999 annual meeting of stockholders of the Company, a majority of the shares voted at the meeting (although less than 50% of the outstanding shares) were voted in favor of a nonbinding stockholder proposal recommending the declassification of the Board. At a special meeting of stockholders held on March 21, 2000, the Board submitted a proposal to declassify the Board but such

27

proposal did not receive the requisite vote of stockholders at such meeting to approve the amendment to the amended and restated certificate of incorporation

and by-laws to implement such proposal. The Board has again decided to voluntarily submit a proposal to declassify the Board because of the support for the proposal by the stockholders at the 1999 annual meeting and the 2000 special meeting, as well as for the other factors discussed above.

Under Delaware law, directors of companies that have a classified board of directors may only be removed for cause unless the certificate of incorporation provides otherwise. However, under Delaware law, directors of companies that do not have a classified board may be removed with or without cause by a majority vote of the stockholders at any annual or special meeting of stockholders. Accordingly, if the proposed amendment to the amended and restated certificate of incorporation is approved, the Company's stockholders would be able to remove any or all directors without cause at any stockholders meetings after the 2002 annual meeting of stockholders. Under the Company's by-laws, special meetings of stockholders can be called only by the Chairman, the President or a majority of the Company's Board.

Article 9 of the amended and restated certificate of incorporation also currently provides that Article 9 (b) and Article III, Sections 1, 2 and 3 of the by-laws can only be amended by the affirmative vote of 80% of the votes which would be entitled to be cast generally in an election of directors. The proposed amendment would delete this requirement with respect to any future amendments of Article 9 (b) of the amended and restated certificate of incorporation or Article III, Sections 1, 2 and 3 of the by-laws. Accordingly, under Delaware law, any subsequent amendment to Article 9 (b) of the amended and restated certificate of incorporation or Article III, Sections 1, 2 or 3 of the by-laws would require approval of the Company's Board of Directors and the affirmative vote of a majority of the outstanding shares entitled to vote generally in the election of directors.

The proposed amendments to the by-laws and amended and restated certificate of incorporation are set forth in Annexes I and II hereto, respectively, with deletions indicated by strike-out and additions indicated by brackets.

In accordance with the amended and restated certificate of incorporation, Proposal 3 requires the affirmative vote of at least 80% of the voting power of all shares of the Company entitled to vote generally in the election of Directors. Under Delaware law, in determining whether such proposal has received the requisite number of affirmative votes, abstentions and broker nonvotes will be counted and will have the same effect as a vote against the proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL.

STOCKHOLDER PROPOSALS

Proposals received from stockholders are given careful consideration by the Company in accordance with Rule 14a-8 under the Exchange Act. Stockholder proposals are eligible for consideration for inclusion in the proxy statement for the Year 2003 Annual Meeting if they are received by the Company on or before November 29, 2002. [From and after the annual meeting of stockholders to be held in 2002,] the Directors shall [Strike-out begins]be classified, with respect to the time for which they severally hold office, into three classes, as nearly equal in number as possible, as determined by the Board of Directors, one class to [Strike-out ends]hold office [Strike-out begins]initially [Strike-out ends]for a term expiring at the annual meeting of stockholders to be held in [the year following their election][Strike-out begins]1986, another class to hold office initially for a term expiring at the annual meeting of stockholders to be held in 1987, and another class to hold office initially for a term expiring at the annual meeting of stockholders to be held in 1988[Strike-out ends], with [each] [Strike-out begins]the [Strike-out ends]member [Strike-out begins]of each class [Strike-out ends]to hold office until their successors are elected and qualified[; provided that the term of any Director appointed prior to the annual meeting of stockholders to be held in 2002 shall be unaffected.] At each annual meeting of stockholders, the successors of the [Strike-out begins]class of [Strike-out ends]Directors whose term expires at that meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the [Strike-out begins]third [Strike-out ends]year following the year of their election.

The term "entire Board" as used in these By-Laws means the total number of Directors which the Corporation would have if there were no vacancies.

Nominations for the election of Directors may be made by the Board of Directors or a committee appointed by the Board of Directors or by any stockholder entitled to vote in the election of Directors generally. However, any stockholder entitled to vote in the election of Directors generally may nominate one or more persons for election as Directors at a meeting only if written notice of such stockholder's intent to make such nomination or nominations has been given, either by personal delivery or by United States mail, postage prepaid, to the Secretary of the Corporation not later than (i) with respect to an election to be held at an annual meeting of stockholders, ninety days prior to the anniversary date of the immediately preceding annual meeting, and (ii) with respect to an election to be held at a special meeting of stockholders for the election of Directors, the close of business on the tenth day following the date on which notice of such meeting is first given to stockholders. Each such notice shall set forth: (a) the name and address of the stockholder who intends to make the nomination and of the person or persons to be nominated; (b) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (c) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (d) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission; and (e) the consent of each nominee to serve as a Director of the Corporation if so elected. The presiding officer of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

SECTION 2. NEWLY CREATED DIRECTORSHIPS AND VACANCIES.

Newly created directorships resulting from any increase in the number of Directors and any vacancies on the Board of Directors resulting from [the] death, resignation, disqualification, [or] removal [Strike-out begins]or other cause [Strike-out ends][of a director] shall be filled solely by the affirmative vote of a majority of the

No decrease in the number of Directors constituting the Board of Directors shall shorten the term of any incumbent Director.
