

AVIS BUDGET GROUP EXPANDS CONSUMER CAR SALES PROGRAM TO MINNESOTA AND WASHINGTON

PARSIPPANY, N.J., July 14, 2015 — Residents of the North Star State and the Evergreen State can now test-drive and purchase quality, well-maintained, late-model vehicles at competitive prices from Avis Car Rental and Budget Car Rental through the expansion of Avis Budget Group's consumer car sales program to Minnesota and Washington.

Avis Budget Group's consumer car sales program offers buyers a no-haggle, no-hassle process and features a wide selection of late-model Avis and Budget rental vehicles for purchase at competitive low prices. Customers can shop online at www.avis.com or www.budget.com and schedule their "ultimate test drive" to enjoy the full experience of driving a vehicle of their choice, ranging from a fuel-efficient Ford Focus to a luxurious BMW 3 Series or a multi-purpose Jeep Grand Cherokee. The ultimate test drives are free-of-charge for two hours or can be as long as three days for a nominal rental fee. If the customer decides to purchase the vehicle, the base rental fee will be refunded after the purchase is completed.

"We are diligent about maintaining our rental fleet in strict accordance with manufacturer warranty standards, for our car rental customers and for those who may ultimately want to purchase one of our vehicles," said Joe Ferraro, president, Americas, Avis Budget Group. "We're happy to expand our consumer car sales program to the great states of Minnesota and Washington and encourage those in the market for a quality set of pre-owned wheels to check out our vehicles and the benefits that our program has to offer."

This car sales program, offered in collaboration with Innovative Funding Services, is part of Avis Budget Group's strategic objective to drive efficiency throughout the organization and accelerate growth, including selling vehicles through non-traditional channels. The program is also available in Arizona, California, Colorado, Florida, Georgia, Illinois, Kentucky, Maryland, Massachusetts, Michigan, New Jersey, Ohio, Tennessee, Texas, and Virginia, and features more than 100 vehicle makes and models. Customers can choose from domestic and foreign manufacturers including BMW, Chrysler, Ford, General Motors, Kia, Nissan, Toyota, Volkswagen and many more.
